For Buttle UK this christmas

This year we are asking workplaces to become a Secret Santa and bring joy to a child this Christmas.

For children and young people experiencing a crisis, whilst living in poverty can be devastating. Parents and carers find themselves unable to provide the basic essentials, let alone Christmas presents.

This is where you can help. By hosting a Christmas Giving Tree and donating through our virtual shop, you can become a child's Secret Santa and bring the gift of hope this Christmas.

Christmas Giving tree

- Create a Christmas tree to display where everyone can see it.
- Use our gift tag template. Print as many tags as you need and hang them from your Christmas tree.
- Each tag shows how much a toy, book, game or essential item costs and a QR code that will take you to our virtual gift shop.
- Personalise the tag with your own message for colleagues and replace it on the tree..
- Tell us you are taking part - we can let you know how much you & your colleagues have raised.
- Perfect for multi-location & hybrid workers.
- See if your company will match your donations and double the impact of your Christmas giving.

This Christmas, let's come together to make the season bright for every child. Be their Secret Santa and give the Gift of Hope!
